2025 S2 module selection based on the premise that student passes all 2025 S1 1st year modules, if not the student needs to meet again with the VC staff member to review module selection. The student would then need to complete an amendment to registration contract. Please note this may result in a financial adjustment to the fee and terms structure.									
NB: Please ensure that you have pulled the qualification transcript for the qualification that corresponds to this APD when checking for modules passed / credited.									
Should you have applied for credits, please note that you still need to have registered for the module until the credit has been passed.
